Wellington -Waterloo Futures

A Community Futures Development Corporation

Who Are We?

Wellington-Waterloo Community Futures Development Corporation (WWCFDC) is a federally funded and supported not-for-profit organization governed by local volunteers. We are in partnership with Industry Canada.

The free services provided by WWCFDC exist to promote rural economic growth and community development in the four townships of the rural Region of Waterloo, and the five Southern most municipalities of Wellington.

Serving Rural...

- Puslinch Township
- Town of Erin
- Township of Guelph / Eramosa
- Centre Wellington Township
- Township of Mapleton
- Wellesley Township
- Township of Woolwich
- North Dumfries Township
- Township of Wilmot

Services

Business Consulting

At WWCFDC we aspire to help small and medium sized businesses be successful. We have experienced staff and Board members who understand business and the local marketplace. We are delighted to provide the following:

- Business advice, counseling, information & referrals
- Help with business plans
- Entrepreneurial training

Business Financing

WWCFDC lends money to help finance new or existing small and medium sized businesses for start-up, expansion or stabilization plans that will help maintain or create jobs.

We offer repayable financing of up to $150,000.00 when financing from other sources is insufficient or unavailable.

Development

Do you have a great idea or plan for an initiative?

WWCFDC works closely with community organizations and individuals to asses local challenges, and to look at new ideas and opportunities that could strengthen our economy.

We actively assist in the planning and implementation of strategies that are designed to build a brighter future for WWCFDC's rural communities.

To aid in the development your plan we provide:

- Community & economic statistics for analyzing the local economy
- Innovative initiatives that meet the needs of your community
- Available meeting space for groups of up to 15 persons
